

SOUTH CHARLESTON HIGH SCHOOL BLACK EAGLE BAND KROGER REWARDS PROGRAM SETUP INSTRUCTIONS

These instructions assume you already have a Kroger Plus card (or alternate ID). If you do not yet have a Kroger card, please visit your nearest Kroger to get one. I believe you can also set one up online, but these instructions do not cover that.

1. Visit www.kroger.com/communityrewards to get started. These instructions were created using a desktop computer, but procedures on a mobile device should be similar.

The screenshot shows the Kroger website's Community Rewards page. At the top, there is a navigation bar with the Kroger logo, a location pin for "My Store: 981 Dunbar Village Plz, Dunbar, WV", and links for "Change Store" and "Find a Store". Below this is a search bar with the placeholder text "What are you looking for today?". To the right of the search bar are links for "Sign In" and "Register" (with "No Account?" above it). A "Shopping List" button is also visible. The main heading is "Kroger Community Rewards®" with the sub-heading "Giving More Back to the Community!". Below this is a paragraph explaining the program's commitment to helping communities grow and prosper. Another paragraph states that the program makes fund-raising easy by allowing users to shop at Kroger and swipe their Plus Card. There are two orange buttons: "Sign In" and "Create an Account". Below these is a link to "www.kroger.com/communityrewards" and a question "Are you an organization looking to apply?" with an "Apply Now" button. An image on the right shows a man in a classroom setting with children, and a "community rewards" logo.

If you already have an account, you can sign in and skip to Step 4. If you do not have an account, click “Create an Account” and proceed to step 2.

2. Fill in all of the appropriate information to create an account. Then click “Create Account.” The location of your preferred store does not affect our end of the rewards program, so feel free to use which ever Kroger you visit the most. The rewards program works at any Kroger, so don’t feel like you have to always shop at one store either. As long as you use your card or alternate ID when you check out, we will benefit from the program.

3. Next, you should get this screen. I was not successful in adding my Kroger card this route, but you may have better results than me. If you cannot get this step to work, just click on "My Account" in the upper right corner of the screen and go to Step 4. It may also have your name there instead of "My Account."

If you have any issues, please feel free to contact me. If you have friends or relatives that shop at Kroger, have them set their card up too. You can only enroll for one organization at a time, and you have to re-enroll each year.

This does not add cost to your total bill at Kroger. Kroger donates a percentage of your purchase to the band program each quarter.
